METROCODE

With the introduction of the third party plan review and inspections, in your area. Your city has taken a significant step to ensure that the rapid growth over the next years is handled smoothly. Builders can be confident that with the third party alternatives their building needs will continue to be met while keeping safety their top priority.

Balancing Quality Cost & Speed

With over 15 years experience, Metro Code guarantees superior service at competitive rates. We are a bonded company that employs only the highest quality inspectors. All of our inspectors are ICC certified and trained to assist builders in code compliant building.

- Metro Code will review your plans for building, plumbing, mechanical, electrical, plat, and grading verification with certified ICC plans examiner.
- Metro Code will complete all of your inspections throughout the construction process in Building, Plumbing, Mechanical, Electrical & Energy with the highest certified & licensed inspectors.
- Metro Code provides same day inspections. If you call your inspections in by 9am, we will be out that day to complete the inspection.
- If needed corrections are marked with a paint ball gun. This is to guarantee visible accuracy of repairs.
- We communicate with builders and subcontractors throughout construction to ensure an accurate and efficient building process.
- We save you time which in turn saves you money.
