## How to Pay for a Permit

You can pay by Credit/ Debit card, ACH, or mail a check to our office. To use a Credit/ Debit card, there is a convenience fee of 2.9%. To pay by ACH, there is a flat fee of \$3.00 per transaction.

You can click on "Pay Fees" or "Quick Pay" from the left menu bar to pay your fees.

In the "Pay Fees" option, you can search for a specific invoice number or select "Pick from my Fees". This generates a list of unpaid fees associated with your account. You can "Add" the fees you want to pay into a shopping cart to make one payment.

The "Quick Pay" option takes you to a search engine to find and pay specific invoice numbers.
